### **- 6 In-Studio Classes Per Month / Additional In-Studio Classes ONLY \$20:**

Unused classes rollover as long as the membership is active. Once contract is cancelled all unused classes expire on membership cancellation date.

### **- Early Access to Sign Up for In-Studio Classes (22nd of every month @ 8am):**

If you do not sign up during the early access window, you run the risk of NOT being able to sign up for in-studio classes for that month.

### **- Cancellation Policy:**

Late arrivals to class are NOT Allowed! If you arrive at the studio door and it is LOCKED (the studio only opens up 15 minutes before the start of each class) that means you are LATE (even by 1 minute) and the class has already started. Unfortunately, you will NOT be allowed into class! No exceptions. Early Cancel - You can early cancel your attendance out of any in-studio class 18 hours prior to the start of class and receive an automatic refund of the class credit back to your Pole Pressure account for later use. Please be mindful of the class credit expiration date. Pass extensions will not be honored for any reason. Late Cancel - If you cancel your attendance within 18 hours of the start of class or attempt to enter after the class start time you will forfeit the class credit and marked as a late cancel. As a result of late cancellation, the class credit WILL NOT be refunded, returned, credited, and/or saved for later use.
